TO OUR CUSTOMERS:

Pursuant to our policy for the past fifty-eight years to ever keep abreast of the changing tides in the Stove Industry, we present this catalogue showing our complete line of—

“BANQUET”

Porcelain Enamel Ranges

FOR WOOD AND COAL

The Great Western Stove Company has added a complete and model PORCELAIN ENAMELING PLANT to its well known Stove Manufacturing facilities at Leavenworth, Kansas.

In two short years the product of this new plant has placed “BANQUET” Porcelain Enameled Ranges in a position second to none throughout the territory we serve.

The Enameled Range has come to stay in our opinion as evidenced by the very large investment we have made in our Plant and Equipment.

We are pleased to present to you the most complete line of Porcelain Enameled Ranges made by any one manufacturer.

“BEAUTY BANQUET”

All Enameled Steel Range

This range, insofar as corrosion is concerned, will last a lifetime.

EVERY PIECE OF SHEET STEEL USED IN THE CONSTRUCTION OF THIS RANGE IS ENAMELED ON *BOTH* SIDES.

This includes all oven plates, oven rack and bottom to range and ash pit.

The Bottom Oven Plate is made from No. 12 gauge steel.

The Back Flue and Bonnet follows our time honored practice of being made from cast iron.

This Range is made in two sizes and furnished in two color schemes, as shown, viz., WHITE and BLUE Enamel.

“COLONIAL BANQUET”

All Enameled--All Cast Iron Range

This Range is made entirely of Cast Iron Plates.

The COLONIAL BANQUET is favorably known to the trade and supplies the need in a well balanced line of a Porcelain Enameled Range with Nickel Plated Trim.

Furnished in two sizes and two colors, viz., GREY and BLUE Enamel.

“PURITAN BANQUET”

All Enameled--All Cast Iron Range

The PURITAN BANQUET, as we see it, is in an ALL ENAMELED RANGE and will require very little care in the hands of its user.

Furnished in two sizes and two colors, viz., BLUE and GREY Enamel.

Reservoirs

The Beauty Banquet is furnished with a Copper Contact Reservoir.

Colonial and Puritan Banquets are equipped with Encased Cast Iron Reservoirs, Enameled Inside.

All Reservoir Covers are Cast Aluminum, highly polished.

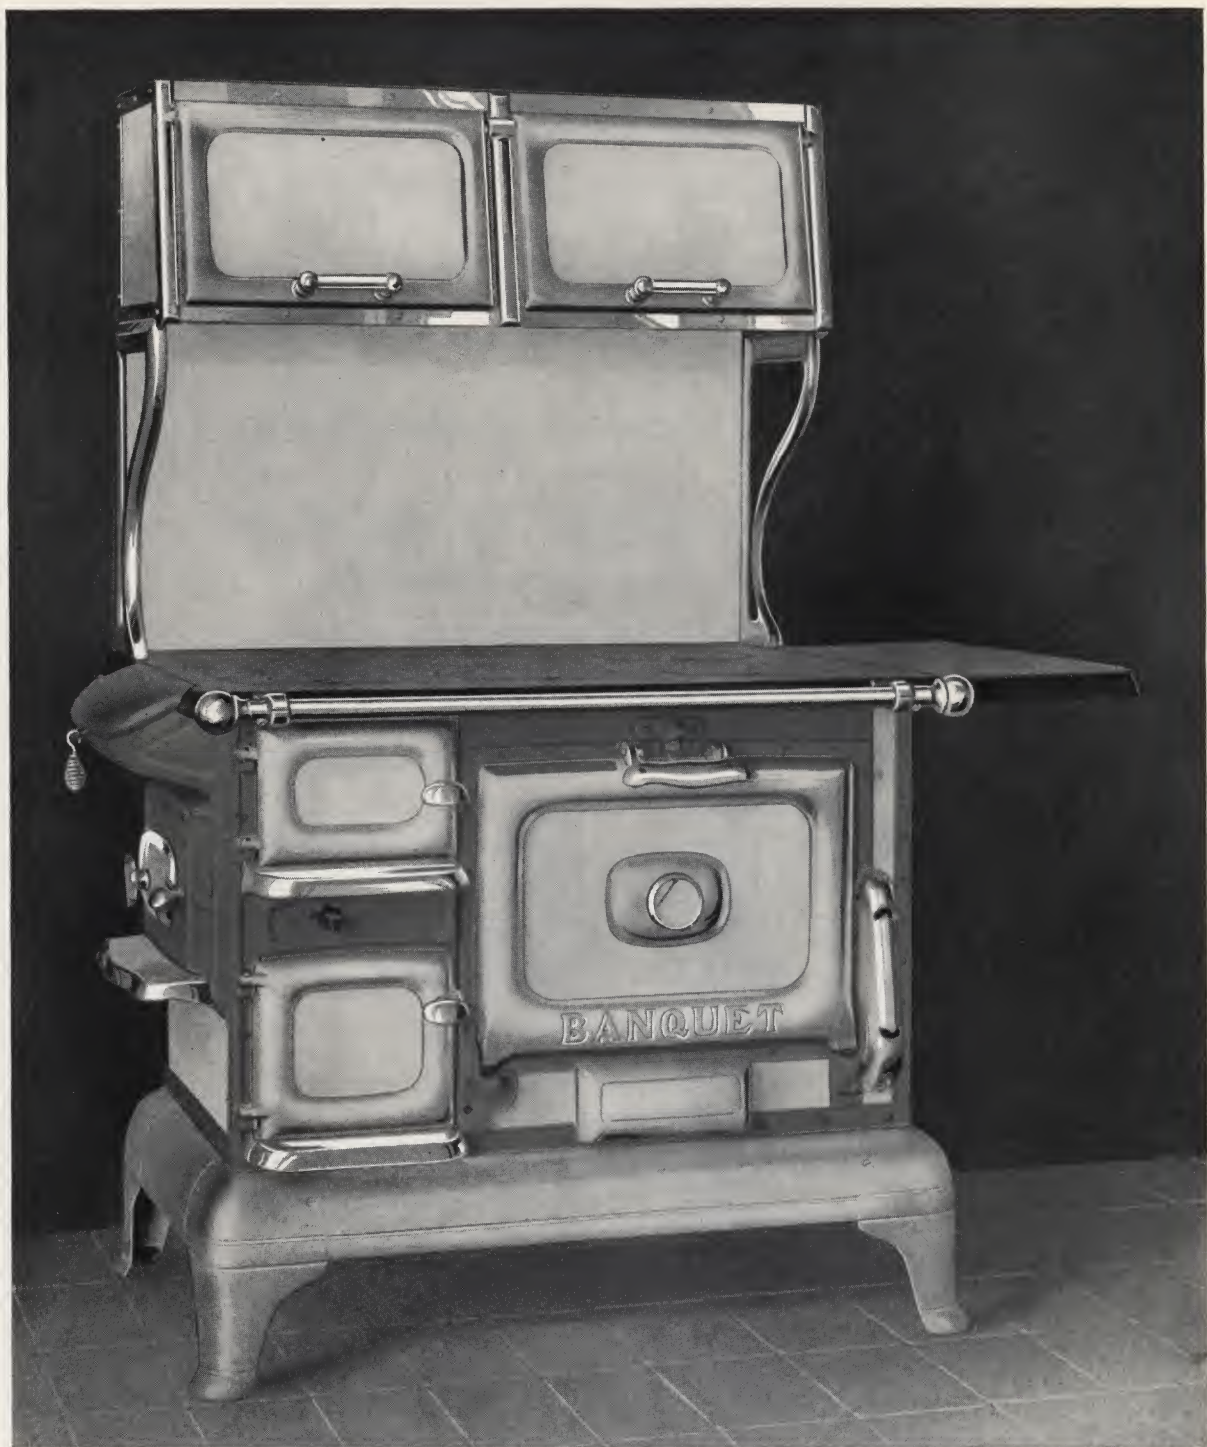

One each of these three lines on your floor will stimulate more business than a like amount of capital invested in any other way.

Suggested Sample Line:

W-1818-R Beauty Banquet (White)

B-1818-E Colonial Banquet (Blue)

G-1818-E Puritan Banquet (Grey)

The "Lyons Banquet" has large oven and cooking top. High Shelf and Oven Top ample and convenient for holding dishes and keeping food warm, and yet the Range occupies moderate space in the kitchen.

Combination Range

for

Coal and Gas

GREAT WESTERN
STOVE COMPANY

Leavenworth Omaha Oklahoma City
Denver Seattle

United Banquet

Height of Cooking Top from floor, 32 inches.

Height under Oven, 15½ inches.

Height Oven Bottom from floor, 51½ inches.

Total Height, 64½ inches.

Size of Main Top, 42½ inches long, 29 inches wide.

Space required, including pouch feed and pipe on end, 46½ inches.

Coal Oven, 18 x 18, 12 inches high.

Gas Oven, 18 x 18, 11½ inches high.

Broiling Oven, 14 x 18 inches.

Two separate Ranges, one for Gas and one for Coal, combined. May be used independently or both at the same time.

No plates in oven to be taken out and replaced. No burner obstructions in or under oven. Coal oven bakes evenly all around.

Gas Oven is convenient height from floor. Oven door must be opened to give access to patent lighter, thus preventing accidents. Both Gas Oven and Coal Oven fitted with the best Oven Thermometers, made for actual use and not for ornament.

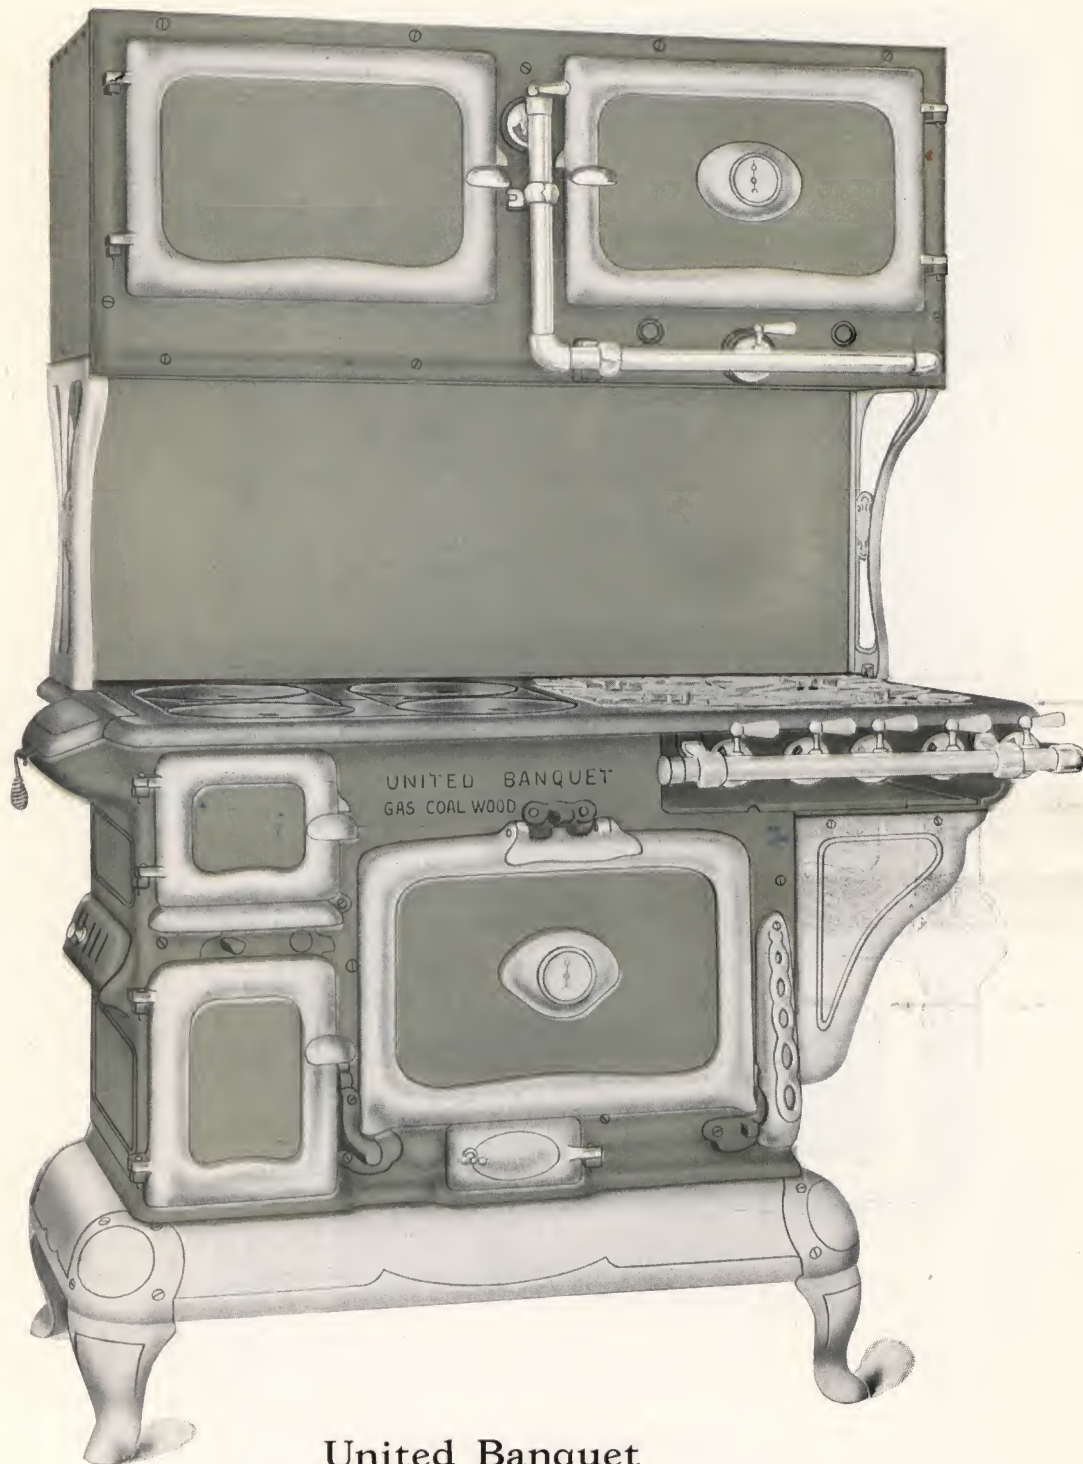

The Broiler Oven is provided with a unique burner that cooks the steak all over and not in strips. It is invaluable for making toast.

Many do not appreciate the superior results obtained in broiling a steak and in roasting meat. No other method approaches the delicious food our ancestors obtained by roasting on a spit before the open fire.

The *United Banquet* is the outcome of careful study and experiments extending over years. It has been thoroughly tested and is guaranteed to you.

Orders should state whether wanted for Natural Gas or Artificial Gas.

Water Front can be furnished if desired. Code Word for Water Front, *Cabinet*.
